Jotter Writing

Our jotter is where we can write our own personal stories. These are stories about us. Things we do and how we feel. Take your book home every night to write in. Remember to bring your book your back to school each day.

Some ideas for your writing are:

My Pet What's this under the bed

Oh, no I've got spots all over my body

Stop the Car..... I can't sleep

Brainstorm some ideas with a friend or small group but remember the best ideas are always going to be YOUR ideas, things that YOU did.
